FORTUNE FOUND ON THIS 'POOR' MAN

[Special to The Times-Dispatch.]
Roanoke, Va., July 19.—After more than thirty years a resident of Roanoke, the greater part of the time regarded as an object of charity, Thomas P. Hamlet, a Confederate veteran, seventy-seven years old, was searched at police headquarters this afternoon and nearly \$500 was found in his pockets.

Hamlet is an eccentric character, and has been living from pillar to post. Recently he was summoned to court for maintaining a nuisance in that it was alleged that his room was unsanitary. He failed to respond to the summons, and a warrant was issued for his arrest. When he reached the police station to-day he was unable to give bail, and was searched. It was then that his fortune was discovered. He will appear in Police Court Monday morning.

Makes Blotchy Skin Free of All Blemish

The Most Obstinate Skin Afflictions and Eruptions from Poiscned Blood Are Completely Cured Quickly.

This Pictare Plainly Shows the Wonderful Change Wrought by S. S. S.

It is certainly remarkable how quickly the action of S. S. S., the famous blood purifier, shows itself in the skin. There is one ingredient in S. S. S. which peculiarly stimulates cellular or glandular activity to select from the blood, or from the fine net work of blood vessels in the skin, those elements which it requires for regeneration.

Thus plantles are larger to the skin and why it becomes the abiding place of so many eruptive conditions will show how fulfie it is to squeeze nimples or blackheads or not a continue to old age if not checked by determined methods. skin, those elements which it requires for regeneration.

Thus pimples, acne, eczema, lupus, or any other blood condition that attacks the skin or seeks an outlet through the skin is met with the antidotal effect of S. S. S.

This is why skin troubles vanish so readily and why they do not return.

Under the influence of S. S. S. this fine net work of blood vessels in the skin is constantly selecting from the blood the nutrition required for healthy tissue and the cause of disease is just as constantly being removed, scattered and rendered harmless.

It is a great mistake to rely upon cathartics to cure pimples or other facial eruptions. Not only do cathartics cause chronic constipation, but they thin the blood of its valuable and essential preservatives.
